Step 1: Sign up for A360 Drive

Select the **A360 Dive link** and select the "sign in" option in the top right of your browser window.

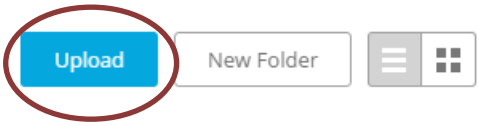

If you haven't signed up for A360 yet, you must select "sign up for free" and complete the registration process

Note: The same email and password for Autodesk account will work for A360.

Step 2: Upload Your File

Select the "upload" button in the top right of your browser window and select the files you wish to upload to your cloud drive.

Step 3: Share the File

Hover the mouse over the project to reveal and click the share icon.

Make sure the share link is ON in order for other learners to view your project.

Select the copy button to copy your project's link to paste into the module's assignment.
